

Full Persian

Use a minimum AR of 5.

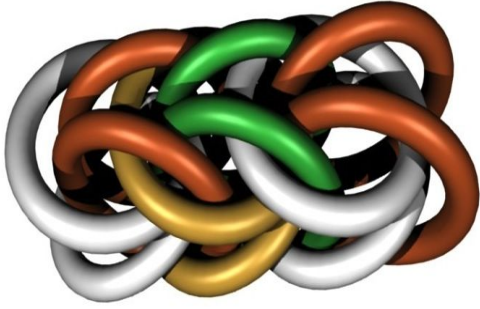

1. Make a 2-2-2 chain and lay it out as shown.

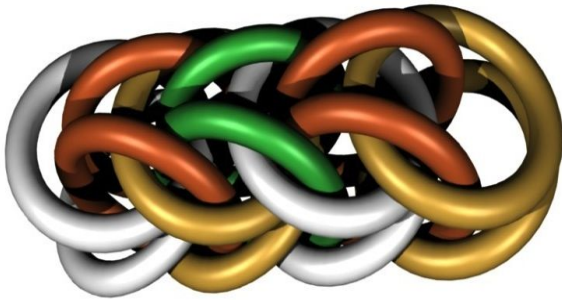

2. Add a pair of rings (shown in green) around the gold rings, between the copper rings and through the silver rings.

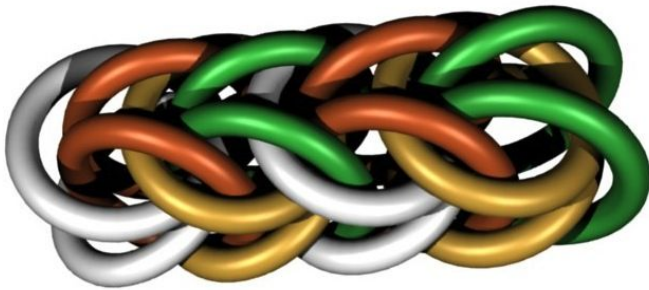

3. Add another pair of silver rings through the green rings.

4. Similarly to the green rings, add a pair of copper rings around the silver, between the green and through the gold rings.

5. Then a pair of gold rings through the copper rings just added.

6. Continue with steps 4 and 5 to length required.
